OBJECTIVE

Motivated Computer Science graduate with a strong interest in Full Stack Development. Looking to join a dynamic tech team where I can apply my skills in web development, learn modern technologies, and contribute to impactful projects from day one.

EDUCATION

2021-2025	B.Tech, CSE at **RGUKT, Nuzvid**	(CGPA:8.58)
2019-2021	Pre University Course at **RGUKT, Nuzvid**	(CGPA:8.85)
2018-2019	Class 10th at **MCBH School, Jagannaickpur, Kakinada District**	(CGPA:10.00)

SKILLS

Programming Languages	Java, Python, C, SQL
Web Technologies	HTML, CSS, JavaScript, ReactJs
Databases	MySQL
Tools and Packages	Ms Office, Git
Soft Skills	Communication,Problem Solving, Team Management and Time Management

PROJECTS

CertiFier   Feb 2024 - May 2024

Created a decentralized NFT Marketplace called **CertiFier** using **Solidity** and **React**. Developed **smart contracts** for minting NFTs,ensuring **100% security**. Deployed the application using **Hardhat**.

Email Scanning System   2024

Develop a Java-based desktop application using **Swing** and **PostgreSQL** for efficient scanning, managing, and filtering emails to detect and block spam or phishing mails.

Student Stress Prediction and Health Risk Detection   2024

Student stress is a rising problem in educational environments, frequently harming both mental and physical health. This project entails the use of machine learning to analyse more on stress levels and heath risks, aspects such as, grades, peer's relationship, and extra-curricular activities. Stress levels are classified as acute, episodic, or chronic based on these criteria, with each being associated with a specific health concern such as anxiety, sleep disorders, or chronic exhaustion.

INTERNSHIPS

Java With Full Stack   May 2024 - June 2024

Edubot, Vijayawada, AP.

Learned and developed full stack web application using **Java**,**React** and **Postgresql**. Participated in code reviews.Gained hands-on experience with version control using Git.

CERTIFICATIONS

Fullstack with Java, Edubot, June 2024

Resume, Networking, and Interview Skills, edX, May 2024

Version Control, Coursera, November 2023

Programming with JavaScript, Coursera, November 2023

Languages

1. Telugu
2. English
3. Hindi

Declaration

I **Mohan Surendra Bommedi** hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the above mentioned particulars.
